who we are

based in the state of ceará, with some of the most famous kite spots in the world, yemoja brazil has the passion for sports, freedom and the ocean in its dna. we value and encourage women's participation in all sports, especially those that provide contact with nature such as kitesurfing, windsurfing, wakeboarding, surfing and standup paddling among many others. we use this as our main inspiration in the creation process of our sports bikinis since 2016

having to pick a name that would translate our passion and drive, yemoja emerged as the perfect fit as it refers to the african origin of the goddess of the sea. its name is the contraction of the words in yoruba *"yeye omo eja"*, which means:

"mother of those who are like fish"

our mission

we bet on the power that sport has to transform lives, provide indescribable moments and raise people's self-esteem. our goal is to create bikinis for our mermaids that reinforce the ideas of fun, freedom, self confidence, fulfillment and being in touch with nature while practicing their favorite sports
